Nurse Practitioner—Hematology
Arthur G. James Cancer Hospital
Columbus, OH

Target Audience

This activity has been designed to address the educational needs of oncology nurses, including advanced practice nurses and registered nurses. It will also benefit PAs and other clinicians who manage patients with Castleman disease (CD).

Learning Objectives

Upon completion of this activity, participants should be able to:

- Outline the signs and symptoms of CD as they relate to early diagnosis
- Describe US Food and Drug Administration-approved and guideline-recommended therapies for CD

This activity is jointly provided by Global Education Group and Paradigm Medical Communications, LLC.

In collaboration with the Castleman Disease Collaborative Network

Disclosure of Financial Support

This activity is supported by an educational grant from EUSA Pharma (US) LLC.

Nursing Continuing Education

Global Education Group is accredited with distinction as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

This educational activity for 1 contact hours is provided by Global Education Group. Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Nurse Practitioner Continuing Education

This activity has been planned and implemented in accordance with the Accreditation Standards of the American Association of Nurse Practitioners (AANP) through the joint providership of Global Education Group and Paradigm Medical Communications, LLC. Global Education Group is accredited by the American Association of Nurse Practitioners as an approved provider of nurse practitioner continuing education. Provider number: 110121. This activity is approved for 1.0 contact hour(s) (which includes XX hour(s) of pharmacology).

PAs

AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit™* from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 1 hour of Category 1 credit for completing this program.

This activity was released on November 30, 2021 and is valid for one year. Requests for credit must be made no later than November 30, 2022.
