Target Audience
This activity has been designed to address the educational needs of community and academic physicians specializing in hematology and hematology/oncology. It will also benefit other clinicians who manage patients with Castleman disease (CD).

Learning Objectives
Upon completion of this activity, participants should be able to:

- Identify patients with CD
- Determine evidence-based treatment for CD in alignment with current guidelines

This activity is provided by Paradigm Medical Communications, LLC.
In collaboration with the Castleman Disease Collaborative Network

Disclosure of Financial Support
This activity is supported by an educational grant from EUSA Pharma (US) LLC.

Physician Accreditation Statement
Paradigm Medical Communications, LLC is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Paradigm Credit Designation Statement
Paradigm Medical Communications, LLD designates this enduring material for a maximum of 1.0 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

European Accreditation
Through an agreement between the American Medical Association and the European Union of Medical Specialists, physicians may convert AMA PRA Category 1 Credits™ to an equivalent number of European CME Credits® (ECMEC®s). Information on the process of converting AMA PRA Category 1 Credits™ to ECMEC®s can be found at: www.eacme.eu.
