Be the toast of the party as the presenting bar sponsor. The spotlight is yours with a signature cocktail crafted just for the event, along with branded cocktail napkins.

GARDEN GAMES SPONSOR - \$500

Win the evening as the presenting sponsor of our Garden Games. This area is centrally located within the event space and comprised of traditional garden activities such as croquet, giant chess and more. As the presenting sponsor of the Garden Games, your name or logo will appear on all signage, and you will have the option to provide a giveaway for game winners. This is a great opportunity to elevate your visibility and create excitement while being a key player in making this year's event a success.

VALET SPONSOR - \$1,500

Make a lasting first and final impression as the exclusive Valet Sponsor for Quest for a Cure. As guests arrive and depart, your brand will be front and center during two of the most memorable moments of the evening. Each guest who uses valet service will return to their car to find a personalized thank-you note featuring your logo, reinforcing your support of the CDCN. This sponsorship includes exclusive recognition as the Valet Sponsor, logo placement on valet signage and event materials, and a unique opportunity to connect your brand with thoughtfulness, generosity, and a seamless guest experience.

FLORAL SPONSOR - IN KIND

When you become the sponsor of our DIY Bouquet Station and Centerpieces, your brand will have a special presence. At the DIY Bouquet Station, your logo will be front and center at Quest for a Cure. Participating guests will leave with beautiful floral arrangements with your logo to tie it off. And as the generous sponsor of our centerpieces, your logo, along with personalized acknowledgement tags to show your support, will be displayed on each table. This is more than just a sponsorship. It is an opportunity to provide a memorable, hands-on experience for our guests while showcasing your brand's commitment to creativity and elegance.

TAKE-HOME TREAT - IN KIND

Become the sponsor of sweet memories. The take-home treat sponsor will provide each guest with a sweet treat they can enjoy after the event. This opportunity allows your brand to be a part of the post-event experience.

PARTING GIFT SPONSOR - IN KIND

As our Parting Gift Sponsor, each guest will leave with your exclusive gift. When guests receive their take-home gifts, they will be reminded of the generous spirit of your brand, creating a positive and lasting connection.
